

On Thursday, December 16 at 2:30 pm there will be an inaugural planting of acorns by Marin ReLeaf at McNear Beach State Park in honor of Marin County Arbor Week, to be proclaimed by the Board of Supervisors this coming Tuesday the 14th.

Marin ReLeaf (<http://www.marinreleaf.org/>) is an organization founded by our Glenwood neighbor Sandra Sellinger to collaborate with the City of San Rafael in the development and implementation of pilot street tree planting programs for neighborhoods and to help develop an on-going urban forestry public education campaign.

The public is welcome at this event, which will include a demonstration of oak tree planting without irrigation.
