

Call for Entries

Attention! The PGHA website is issuing a “Call For Entries” of photographic images highlighting this glorious neighborhood we all call home. Our newly expanded Gallery portal will allow anyone with a keen photographic eye to share his or her visual experience with others. Capture the essence, the uniqueness, the beauty, the moment, the season, even the people, and send us your digital images of anything and everything that represents the world of “Living in Peacock Gap”. Composition is not limited as long as the image directly relates to public scenes within our neighborhood. “Creative” images will also be accepted. Surprise us, too, make us guess what the picture is or where the image was taken (do include the explanations).

All submitted images must be digital in form, original in nature and not subject to outside ownership, copyright, or other ownership / publication limitations. Subject material must be deemed appropriate by our website committee in order to be displayed on our website. Authors will be credited so be sure to include your name and the date the image was taken, and if possible a brief explanation of the composition of the picture.

Submit all digital images to: president@peacockgaphoa.org

Please do not submit emails with attachments bigger than 5Mb. If you have more photos, please use www.yousendit.com (Lite account is free up to 100Mb) - or similar service which will avoid our email system running out of steam.
