

Member Bulletin – March 21st

Member Guest Tournament

Assume you've all received Bob Pollnow's bulletin about the Member Guest Tournament Friday, March 26. The pro shop advises they have 44 members and guests signed up currently, but there's still room for more. Call to reserve your tee assignment: 453-4940, Ex. 18. The only fee for this Club sponsored event is a \$20 per player assessment for prizes and apres golf hors d' oeuvres. Green fees and carts are on the house.

We have names of a few members who would like to play in the tournament but don't have guests-- and a few prospective guests who need a host-sponsor. If you fall into either category, drop me an e-mail, or call Adam Eisner (above number) and we'll see what we can do.

Wrong Date for April "Open" Tournament

Sorry, I goofed. Contrary to long-time practice, our next regular monthly tournament will not be held on the first Saturday of the month, as previously announced. Stay tuned for further developments. We're working on a new date and a new "team" format that we hope will appeal to more of our women golfers. As in March, the April event will be open to everyone - male and female, member and non-member.
