

Local Fire Station Requests Volunteers

On **Saturdays November 6th and 13th** the Fire Department will be sponsoring a “Friends of the Fire Department” landscaping work party at **Fire Station 2** to help with the landscaping along Third, and along Union. Following the completion of the Third Street project, we can now plant the new landscaping at Fire Station 2 and add a little color.

Moving dirt around, installing the drip system and digging holes for the plants will be the scope of work, and helpers will need to bring their own shovels, wheelbarrows, vegetation clippers and other related tools.
