Dear Neighbors,

We want to thank you for attending yesterday's meeting. Thanks to your involvement, we are going to succeed in improving the area in where we live. Again, there are really two main functions required to re-landscape the Pt San Pedro Median: 1) Fundraising: the clock starts once we have raised the money required to get this to ballot; and 2) Marketing: advertise to our neighbors to gain support from the community.

- 1) We have to raise roughly \$ 40,000 in order for the City Council to start the process. If you haven't done so already, please click the following link to donate online with a credit card: [Improve the Medians Donation](#). Please make sure that you check the box next to Point San Pedro Road Medians. If you would like to pay by check the mailing address is below. **The money donated is tax deductible.**
- 2) To start in building awareness about our efforts to the community, please talk with your friends and ask them to participate. Remember we only need 51% of the returned ballots in favor and we have a beautifully landscaped median for the next 30 years, so the more folks involved, the better.

Also, if you would like to get involved in our efforts, please join us on Monday May 17th at 7 p.m. for our next meeting. Our meeting location is at 39 Heritage Drive.

If you would like a copy of the presentation that we covered yesterday at our meeting at the church on the hill please let me know and I will send it to you.

Below is my cell phone number. Please call me if you have any questions.

Thank you again, and together we are going to make a positive impact on our community.
