

Invite from Point San Pedro Road Coalition

Medians Meeting

Dear Neighbors,

Please attend a neighborhood meeting as we discuss the efforts to re-landscape the medians along Point San Pedro Road. We want to hear your thoughts on the beautification of our main neighborhood corridor. The Point San Pedro Road Median Committee, a committee of your neighbors representing the various homeowner associations along the road, has been working for two years on various alternatives for landscaping and funding. It is now time to get your input on the various alternatives.

What: Pt. San Pedro Median Beautification Program

When: Saturday, May 1st, 10:00am - 11:30am

Where: St. Luke Presbyterian Church, 10 Bayview Drive, San Rafael

Help make Point San Pedro Road into something beautiful!

Regards,

John Lenser
Committee Vice-Chair
