

Dear Fellow Marin County Resident:

Working with the city, county and state guidelines, we are notifying you of a special event that will be taking place this Sunday Morning, October 31, 2010 at McNear's Beach Park.

The third annual Marin County Triathlon, an environmental friendly and sustainable produced event, will be donating 100% of the net proceeds, yes everything, to very worthwhile charities, which include the Prostate Cancer Foundation and the Leukemia & Lymphoma Society.

We would appreciate your cooperation and support, as there may be a minor detour in your neighborhood to ensure the safety of everyone.

From 7:45 am till approximately Noon, Point San Pedro Road will be closed at the east entrance of Heritage Drive through China Camp State Park. There will be no access through China Camp but the Peacock Gap Golf Course is accessible and ALL residents can get to and from their homes.

On the other side, North San Pedro Road will be closed at that time with no vehicle access into China Camp past the Back Ranch Meadows Campground entrance road.

There will be plenty of detour and event signs in place, police and volunteers, and we honestly feel that no one will experience any inconvenience, though there may possibly be a minor delay only during those times.

This is a 100% community volunteer effort - a wonderful event for wonderful causes. We welcome you to join us to help succeed in our efforts.

Again there are numerous professional athletes and US Olympians taking part this year, right in your own backyard!

This amazing event is certainly very worthy of Marin County and its great community.

If you have any questions or concerns, you are welcome to call me.

Thank you very much again for your time and support.

Mark Liebert
Executive Director
